

BESPOKE LUXURY BATHROOMS

Optional:

Bidet seats, air conditioning and distress help light

MODULAR VACUUM SYSTEMS

Our Bespoke Luxury Module offers the ultimate experience in flexibility and design using environmentally superior marine vacuum technology.

Features:

- Module comes in a range of 3 styles; a stand alone toilet cubicle, a 3 urinal wall panel and a stand alone vanity
- The width of the units allows them to be folded into compact components which fit through any standard doorway entrance.
- A luxury accessible module is also available.
- Custom design layouts possible for each event.
